

Clarification on Public Tender HINCOL/PUB/HDPE/18-19/35561

Please find below the clarifications related to Public Tender HINCOL/PUB/HDPE/18-19/35561

Page 3/7 Clause No. 9. Movement of ICIS price is considered only for calculating the monthly escalation / de-escalation for polymer price. Tenderers are at liberty to quote their cost incurred for purchase of polymer which will be considered as initial quote (Polymer Cost October). The monthly movement of polymer cost will be decided in line with the ICIS price movement as mentioned in the tender.

Drums Specification The branding is done by HINCOL at all locations. Body printing size : Length – 1690 mm and width - 457 mm. A variation of +/- 5% in size would be allowed. Enclosed design for BM drums.
